MIAMIAGENTMAGAZINE.COM

Miami Agent Magazine offers the broadest and deepest reach available into the Miami residential real estate community. Our website, newsletters, events, social networks and job board reach tens of thousands of real estate professionals by providing rich, game-changing content.

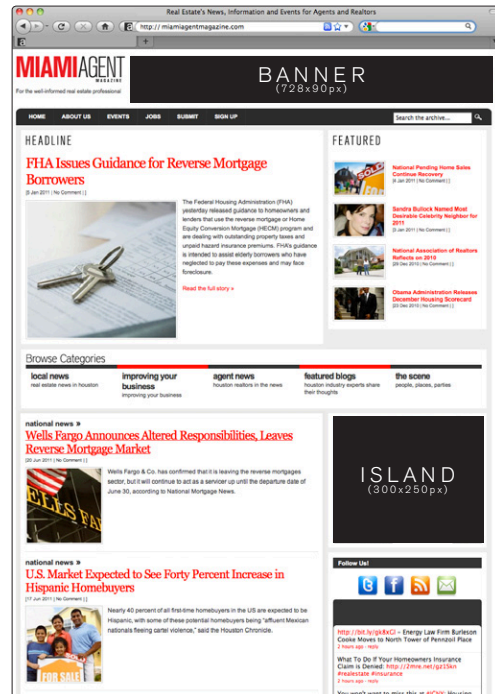

We deliver consistent communication and a dynamic point of view to 15,309 e-mail recipients. Miami Agent offers local coverage of real estate news and events with an industry-wide flavor, encouraging a dialogue between agents, mortgage professionals and real estate developers who serve the local housing market. The ultimate agent's resource, Miami Agent is the trusted source where agents turn for honest and reliable information about their business.

The leading website for the residential real estate industry, MiamiAgentMagazine.com includes breaking news, blogs, video, job board, connection to Twitter, Facebook networks and more.
